

# FOOTBALL CAMPS

# ABOUT

Be On Soccer and LTA Agency, provide customized stages and preseason camps for professional women's football teams. We help them with their development during the breaks of the seasons.

With over 10 years of experience, we work hard to make a wide variety of customized football camps that contribute to the preparation and conditioning of the professional women's teams, taking care of the coaches, technical staff and players. Our daily activities involve overseeing the current trends and cooperating with different key stakeholders who help us making unique stages experiences.

Our goal is to contribute to the development of women's football helping players, coaches and teams to improve and develop their level through unique football camps. BOS takes care of the teams in Spain to be leader with the international football teams experiences.

# SERVICES

## 1 Accommodation

The hotel options have been chosen by our team of experts with the aim to provide the best accommodation to the teams. We are focused on the optimum rest for your team, and this is why we are giving the highest quality in all services and attending to their requests uniquely in the same place.

## 2 Travel & mobility

We take care of all the transfers and ground transportation to facilitate teams' traveling. All the transfers from the moment of the arrival to Spain will be done in a private bus and always with a tour guide.

## 3 Training facilities

The sports complex of each destination have natural grass fields with perfect conditions for football training sessions and friendly games. Gym, Spa, swimming pools or golf courts are other high quality sports facilities provided for a proper physical training.

## 4 Friendly matches

The tailor-made programs allow the organization of friendly matches to be part of a good season preparation. The sparring matches will be played against Spanish teams around the location or other international teams that will also be doing a camp.

VALENCIA

# VALENCIA

# VALENCIA

Valencia, on the east coast of Spain, is the capital of the autonomous community of Valencia and the third-largest city in Spain after Madrid and Barcelona, with around 800,000 inhabitants in the administrative centre.

Due to its long history, this is a city with numerous popular celebrations and traditions, such as the Fallas (featuring the traditional Spanish dish paella), which were declared as Fiestas of National Tourist Interest of Spain in 1965 and Intangible cultural heritage by UNESCO in November 2016.

Valencia has a subtropical Mediterranean climate with short, very mild winters and long, hot and dry summers. Its average annual temperature is 18.4 °C (65.1 °F); 23.0 °C (73.4 °F) during the day and 13.8 °C (56.8 °F) at night.
